Subject: Horizon Europe (HORIZON)
Call: HORIZON-EIC-2022-ACCELERATOR-01
Project: 190118979 — C-LANT Drainage Port
GAP invitation letter

Dear Applicant,

I am writing in connection with your proposal for the above-mentioned call.

Having completed the negotiation phase in the EIC Platform, your project data has now been transferred to the EU Funding & Tenders Portal. You are invited to connect to your account on the Portal in order to manage the roles and access rights for your project.

Invitation to grant preparation

Grant preparation will be based on the following:

1. **Project:**

Project number and name: 190118979 — C-LANT Drainage Port

Topic: HORIZON-EIC-2022-ACCELERATOROPEN-01 — EIC Accelerator Open

Type of action: HORIZON EIC Accelerator Blended Finance

Requested grant amount (proposal): 2 499 875.00 EUR

Maximum grant amount (after evaluation): 2 499 875.00 EUR

Project duration: 30 months

Please note that the grant and investment amounts are subject to modification during the negotiations.

2. **Timetable and deadlines:**

Preparation of grant data and annexes: 2 days after receiving this letter

Declaration of honour (DoH): 2 days after receiving this letter

Signature: within 30 days after receiving this letter (planned date)

The grant agreement data and annexes (description of the action, estimated budget, etc.) must be based on the proposal you submitted and the clarifications we requested (if any). You may normally NOT make changes to the project/project budget/consortium composition (except if required by us). Please immediately inform your project officer if you need to make a change (*e.g. bankruptcy, etc.*).

Once we have checked the information you have encoded, you will have 2 weeks to submit your final version — to bring it in line with our comments.

3. **Participant Register**

All partners participating as beneficiaries or affiliated entities must be registered and validated in the Participant Register.

Please note that some of your legal and financial data in this Register is read-only and can be updated only by a [LEAR](#) (via the Portal My Organisation(s) page). If you do not already have one, we will contact you soon for their nomination.

4. **How to contact us**

Project officer: Justyna TISSERAND
EIC Accelerator

Grant preparation and grant signature will be done exclusively through the Funding & Tenders Portal (login via your [Portal account](#)). The Portal allows you to upload documents, send Messages and Formal Notifications. Avoid contacting us via other means (email, letter, etc.); this will allow us to keep the full project file all in the same place.

Please note that affiliated entities cannot directly access the Portal Grant Management System; grant preparation will therefore have to be done by their beneficiaries for them.

5. **Other**

For more information on grant preparation, see the [Online Manual](#).

 Please note that this letter does **NOT** constitute a **formal commitment for funding**. The final decision on your project (including the grant amount to be awarded) can be taken only later, when we have finalised grant preparation and the checks that still need to be done (*LEAR appointment, legal entity validation, financial capacity assessment, non-exclusion check, ethics review, security review, etc.*).

We will try to proceed as swiftly as possible, but we rely on your good cooperation. If you do not reply to our requests or repeatedly miss grant preparation deadlines, we will consider that you are no longer interested in our grant (and reject your proposal).

I would be grateful if you could inform everyone involved in your proposal of this letter.

For any questions, please contact us via your [Funding & Tenders Portal account](#).

Yours faithfully,

Cornelius SCHMALTZ
Head of Unit
